

Vodavi's "Gold" Seal of Approval

What does it mean to be a Vodavi Authorized Gold Dealer?

Gold is the highest level of Dealer Authorization offered by Vodavi. Gold Authorized dealer status is awarded to a Vodavi dealer based on several factors:

- Level Customer Service provided by the Dealer
- Level of Telecom Expertise and Experience
- Level of Training and Experience with installing and supporting Vodavi products
- Length and quality of the Dealer's relationship with Vodavi

When you choose a Vodavi Authorized Gold Dealer to support your telecommunications needs, you can rest assured that your dealer will provide you with the highest level of expertise, training and service available in your area.

As your telecommunications equipment manufacturer, we want to ensure your satisfaction on all Vodavi equipment purchased from and installed by our Gold Authorized dealers.

If you have any questions or concerns regarding Vodavi equipment or the work of one of our Gold Authorized Dealers, we encourage you to contact us directly.
